District 25 Toastmasters

We Want You at Spring Conference!

Apr 18, 2012 **To all D25 members**

Four Fabulous Keynote Speakers Who Are Out of this World!

 <p>Randy Harvey, 2004 World Champion of Public Speaking, combines the wit and captivating sayings of Ben Franklin with the "aw, shucks" style of Garrison Keillor in a career as a speaker, trainer and author.</p>	 <p>Wally Funk, aviation safety expert and one of the "Mercury 13" trainees, achieved many firsts in her career and is looking forward to a trip into space on Sir Richard Branson's SpaceShip Two.</p>
 <p>David McCallister, TI International Director and Past District Governor, led District 25 to President's Distinguished status and a ranking of fourth in the world.</p>	 <p>Dana Bowman, Golden Knight, was left a double amputee after a tragic parachute accident. He helps both disabled and able-bodied people and motivates thousands through his presentations.</p>
